Mike – I've added Martin's and my comments. I'm on work travel starting tomorrow at noon through the rest of the week, so don't hold anything up waiting for input from me. Claudia and Chris can work with Carl for the Air Program's input.

Subject: U&O FIP: draft letter to Ute Tribe

As discussed yesterday I have put together a first draft of a letter to follow up on the meeting; you can view and edit it here on Sharepoint:

https://usepa.sharepoint.com/sites/R8_Work/tribalFIPs/UOUintaBasinFIP/_layouts/15/guestaccess.aspx

We should probably circulate it to anyone else who may want to look at it no later than Monday, but since it will be coming from our region I wanted to give this group a crack at it first to see if I have hit the right tone and captured all of the main points. Please make any edits you think appropriate, and please let me know if you have any

questions. Thanks.
